The weight limit will be determined by the criterion of one decimal from the set limit. For example: not exceeding 24kg is defined as up to 24,0kg and 24,1kg which is defined as being over the limit. Up until 99 grams over the weight limit is allowed.

For changing of categories because of an incorrect subscription (category, belt,...) or because of the athlete exceeding the weight limit, an additional cost of € 15 must be paid to the organisation. Attention: changing categories is only possible **before** the official weigh-in (based on the present test scale). After the official weigh-in, participants cannot change categories. If after the closure of the weigh-in, there is only one participant in a weight-class, he/she will be regrouped in the following weight-class (if present).
